Capital Project Funding from MDE's Office of Budget and Infrastructure Program Applications Available

Maryland Department of the Environment (MDE) has announced its annual round of funding for Water Quality and Drinking Water Projects.

In addition, MDE has funding from the Comprehensive Flood Management Grant (FMG) and Clean Water Commerce Act Grant (CWCAG).
Support to Communities: Fostering Opioid Recovery Through Workforce Development

Department of Labor grants program intend to allow state workforce agencies, outlying areas, or Tribal organizations to creatively align and deliver career, training, and supportive services that will best serve workers in their local areas impacted by the crisis.

Application Deadline is January 9, 2020.

FMG is open only to Counties and Municipalities and will provide up to 75% of a project, or if federal funds are participating in the project cost, the FMG grant can provide 50% of the match requirement. Project types: Study, Property Acquisition, Elevation, Measurers to manage, reduce, treat, or recapture stormwater or subsurface drainage water, Stream/shoreline restoration, Wetland creation or restoration, Mitigate damage from Land Subsidence, Mitigate damage from Mud/Landslide, Mitigate damage from severe storm, Nuisance Flooding, Dam/Levee, Other.

Application Deadline is January 9, 2020.

CWCAG provides funds for the costs associated with the purchase of cost-effective nitrogen, phosphorus, or sediment load reductions in support of the State's efforts to restore the health of the Chesapeake Bay, not to exceed $6,000,000 in fiscal year 2019, and $10,000,000 in fiscal years 2020 and 2021. The nitrogen, phosphorus, and sediment load reductions purchased cannot come from the agriculture sector and must be created by July 1, 2017.

Applications may be found below:

- **Water Quality Improvement Projects (i.e. Wastewater and Nonpoint Source)**
- **Drinking Water Projects**
- **Comprehensive Flood Management Grant Program**
- **Clean Water Commerce Act Grant**

Information and applications are also posted online. Hard copies of applications must be received by MDE by Friday, January 31, 2020.
