Federal Health Agencies Seek Input on Strategic Direction

The Department of Health and Human Services (HHS) and the Centers for Medicaid & Medicare Innovation (CMMI) seek input on their strategic planning, as follows.

HHS has called for input into its draft FY 2018-2022 Strategic Plan. The draft is a part of the strategic planning process under the Government Performance and Results Modernization Act of 2010.

The strategic planning consultation process is an opportunity to refine and strengthen the strategic plan. Comments may be provided for each goal and objective. Please submit comments by October 26, 2017.
